Overlooking the lovely Jakobsons Reserve across the road and nestled in a quiet spot that is close to most of your everyday amenities, this terrific 4 bedroom 2 bathroom two-storey residence is as "lock-up-and-leave" as they come and encourages low-maintenance living for all involved. There are views to the park from a pleasant entertaining courtyard that is accessible from the commodious open-plan living, dining and kitchen area downstairs. Upstairs, a spacious master-bedroom suite also enjoys a splendid parkland outlook to wake up to, whilst boasting ample room for sleep and storage - plus an intimate balcony. The three spare bedrooms up top all have built-in robes as well - and are serviced by their own separate bathroom, as well as one of two powder rooms and a study area for good measure. Back at ground level, a secure double lock-up garage is decent in its proportions and completes the package rather nicely. Walk to other lush local parklands and bus stops from here, as well as Morley Primary School and Infant Jesus School, the Morley Galleria Shopping Centre, the Coventry Markets and the local YMCA Recreation Centre, with the vibrant Perth CBD only 10km away and Perth Airport just 15 minutes from your front doorstep.
