Walk to beach and trains

Live in picture-perfect contemporary surrounds, and walk to both Lady Robinson's Beach and Rockdale Station in either direction, from this sunny apartment.

The recently built home is centred on a delightful open-plan living space, which extends seamlessly onto a north-facing balcony, via full-height, wall-to-wall glass sliding doors.

Shared amenities, including a sprawling lawn and gardens, with children's playground and barbecue area, add to the home's appeal, along with its whisper-quiet position.

Close to the Brighton-le-Sands border, the property is just 1.5km from the water's edge, with a popular café strip an easy stroll away. Rockdale Plaza, station and village are also within easy walking distance, making this the ideal find for an array of buyers, from lifestyle-driven downsizers, to first home seekers, young families and investors.
