In one of Croydon's most prominently located complexes, this townhouse distinguishes itself with its spacious proportions, stylish renovations and superb views of parkland, gardens and the Mount Dandenong Ranges. Spanning two light-infused levels with multiple entrances for easy access, this residence impresses from the moment you step inside it. On the main floor, you're welcomed by an open living and dining area that seamlessly flows onto an alfresco balcony. Approaching the large, beautifully renovated kitchen, you'll discover an abundance of glossy soft-close cabinetry, all the essential appliances, glass splashbacks and a central breakfast island. A laundry that hosts access to a toilet and a clothesline balcony, complements this floor of the residence. Heading upstairs, three bedrooms with sliding mirrored wardrobes are serviced by two bathrooms. This includes the supersized master suite, which contains an ensuite and its very-own alfresco balcony that boasts the best views of the scenery. Further great features include an intercom, two split system heater/air conditioners, two under-stair storage areas and two basement car spaces that can be directly accessed from the residence. Its outstanding location is within strolling distance to Croydon Park, Croydon Memorial Pool, excellent shopping and dining options along Hewish Road and Main Street, Dainton Taphouse, Croydon Train Station, Civic Square, Croydon Central Shopping Centre, Croydon Primary School, Swinburne TAFE, Aquahub and Croydon Library.
