## FOR SALE

This grand-sized family home offers a perfect blend of comfort, sustainability, and practicality, making it an ideal choice for families looking for space and functionality. With ample side access and room for a pool, this family home ticks all the boxes. Key Features:

- **Open Plan Living:** Enjoy the expansive living areas enhanced by 9-foot high ceilings, creating an open and airy atmosphere.
- **Dual Living Areas:** The home boasts both media room and study, seamlessly flowing onto the outdoor patio.
- **Year-Round Comfort:** The ducted air conditioning system ensures you and your family stay comfortable in every season.
- **Eco-Friendly Living:** Benefit from significant energy savings with 30 solar panels, and reduce water bills with a 15,000L rainwater tank complete with grey water pumps for laundry and toilets.
- **The two triple bay sheds at the back are truly amazing and perfect for the storage of boats and caravans or for running a business from home.**
