Located on a shady and spacious ½ acre block, this weatherboard cottage has just come on to the market. With a tin roof and high ceilings this neat and tidy home has a warm and cosy feel throughout. The large extended lounge room has both fireplace and split system A/C. The 5 large windows lightens the modern loungeroom and provides a great view of your sheltered block. The master bedroom has wall to wall storage, ceiling fan and A/C unit. The 2nd bedroom has a fireplace with mantle and a split system A/C unit, with the third bedroom placed off the kitchen area having a storage cupboard. The kitchen, with split system unit, has a gas oven, Metters stove and steps down into a separate dining room area. There's plenty of parking/shed space with a 3.5 bay lockable and powered 12m x 6m garage, an old shed for another 2 vehicles with adjoining workshop and 3m x 3m garden shed. The outdoor entertaining area overlooks the backyard and is worth an inspection today, so give me a call. Ty Miller 0429881108.
