The last block in a quiet cul-de-sac, 25 Andros Place is the perfect residence for those seeking a low-maintenance contemporary residence in a sought after satellite suburb of Launceston. As you step inside you will be greeted by a warm and inviting living room opening out from the entrance alcove, perfect for relaxing and spending quality time with friends and family. The kitchen boasts high quality joinery and ample counter space, making it a dream for any home chef. Adjacent to the kitchen, you will find a dining area that engages with the open concept floor plan of the home but also the undercover outdoor entertaining area, both of which are ideal for hosting gatherings. The master bedroom features an en-suite bathroom for added privacy and convenience, as well a walk-in robe complete with bespoke joinery. The two additional bedrooms are both light-filled and versatile, providing ample space for guests, a home office, or a playroom. Stepping outside into the backyard, complete with a patio and lush greenery, this is the perfect spot for outdoor entertainment or play space for children and pets. The detached double garage also provides convenient storage and parking. This property has been lovingly built and maintained by the current owners and we are sure the new owner will benefit from their attention and care.
