Welcome to the epitome of family living in the sought-after 'Sanctuary on Alma Estate' of Dakabin. Nestled on a commanding corner block, this splendid residence offers a lifestyle of unmatched quality and convenience. For the very first time on the market, this meticulously maintained family abode has been cherished by its current owners for the past 7 years. Their relocation for work presents a unique opportunity for you to make this your own. A recent light renovation has transformed this home into a move-in-ready masterpiece. Step inside, and you'll immediately notice the fresh and inviting atmosphere, courtesy of a professional internal repaint. The exterior has not been overlooked either, as a new fence adds a great look to the property, while the surrounding lawns have been lovingly reseeded. As you cross the threshold, the spaciousness of this home becomes apparent. The layout gracefully wraps around the central living area and kitchen, forming the heart of this warm abode. This space not only offers a harmonious flow but also grants a delightful view of the backyard, which includes an area previously dedicated to a children's play zone. The current owners have thoughtfully retained the matting, offering flexibility to the new owner's vision, whether it be for play or relaxation. The kitchen, adorned with sleek stone benchtops, is generously proportioned, creating a welcoming social hub where you can engage with family members while preparing meals. It's further complemented by a convenient walk-in pantry, providing ample storage for your culinary needs. Uncommon for homes of this size, a separate laundry, discreetly positioned away from the garage, adds to the home's practicality. All bedrooms are generously sized, featuring built-in robes. The master bedroom is a true sanctuary, boasting its own en-suite and a walk-in robe, ensuring a private retreat away from the kids. The ducted air conditioning offers respite during Queensland's scorching summers and is supported by the MyAir system providing extra accessibility. This remarkable family haven is a rare gem, destined to find a new owner swiftly. Don't miss the opportunity to explore this exceptional property during the first open home. “What the Owners say” After building the home 7 years ago, it is the only home our children know. We will be really sad to say goodbye but have relocated to the Gold Coast due to work. We love the estate and find it is extremely convenient to everything. North Lakes is a 2-minute drive whilst the new Woolworths in Dakabin and all the shops around it are walking distance. There is plenty more coming to Dakabin with the Cominsky Group (owners & operators of Sandstone Point & Eatons Hill Hotels) developing a large site that is again walking distance from this home. We wish the next owners as many happy memories here as we have had.
