This rare heritage warehouse, once a vintage collectible store, is now ready for your creative ideas, with its original red brick exterior and exposed roof beams, it's a blank canvas waiting for your personal touch. This very prominent building has a lovely Heritage facade with ornate brickwork & classic period charm. Inside, the historic store counter can be a standout feature in your new project, and it comes with amenities like mains power, town water supply, wood fire and under floor cellar. There's also a convenient kitchen sink and classic barn doors that add character to the space. Located in a prominent main street position in the quiet township of Moonambel surrounded by the very picturesque Pyrenees Ranges. Some of the rich history includes operation as a produce store, general store, saddlery and more. Contact today for all enquires.
