Conveniently located to everything you would need, adjacent to open parklands, the IGA Supermarket and the Charters Towers Water Park make this huge family home a rare find. The entire family will be accommodated within the walls of this home, so lets take a walk through. Be welcomed by a large dining room which connects through to a sizeable kitchen with loads of storage and preparation space, and a combined laundry plus storeroom. An expansive tiled lounge room and second living space would make an ideal games room or home theatre. Four very generous bedrooms include built-in robes and ceiling fans, while an extra-large bedroom and ensuite to the rear of the home could be the perfect parents or teenager's retreat. Two bathrooms offer spacious practicality, and easy access to all facilities. If you enjoy outdoor living or entertaining family and friends, well, the inground pool and covered entertainment area is the perfect backdrop to do just that. Set over an 821sqm, this allotment offers low maintenance and convenient side access via Anderson Street to the double carport and lawn locker. The sheer size of this home is indescribable, so an inspection to view what's on offer is a must.
