Amongst an evolving streetscape, this lovely four bedroom two bathroom cream brick home still has so much to offer with its wealth of entertaining spaces both inside and out. Warm and inviting with updated comforts, this principally single level classic enjoys a tiled entry hall, a bright living room with an archway to the genuine dining room, a family sized kitchen (Miele 5 burner cooktop) overlooking the casual meals area, a generous family area with stairway to roof storage, four sizeable bedrooms with built in robes, two tasteful bathrooms and a well equipped laundry. Out in the north west facing rear garden there's an impressive modern patio that shades the large brick paved alfresco setting, plus an open lawn and delightful borders of fruit trees. Abundant with storage, this lasting home has the added qualities of ducted heating, an air conditioner, ceiling fans, an alarm system, a double auto garage and a double carport behind auto gates. On 648 sqm approx., you could alternatively join the modern movement and rebuild or explore the options to redevelop (Subject to Council Approval). A peaceful family pocket, so close to Bentleigh Secondary College, King George Memorial Reserve, Korner & Co café and the Bentleigh bus, while just moments to Centre Road shops and services.
