AUCTION

With living options aplenty over a single level matched by wonderful modern potential, and placed in the Box Hill High School zone (STSA) so close to scenic parklands and Box Hill Central, this well-appointed 3 bedroom residence is the one that you want. This property is ready to be lived in as is or rented out for appealing returns. There is of course the option to renovate or extend the current home (STCA) to your own contemporary tastes, while redevelopment is also a chance on a well-sized block. Living highlights include a generous front lounge room, private dedicated dining room, spacious rear family room with bay window that could easily be a study/office, practical kitchen with plenty of room to move, expansive master bedroom with built-in robe, 2 other bedrooms with built-in robes, quality bathroom, large laundry, ducted heating, evaporative cooling, back patio which leads out to a well-sized garden, shed, and garage parking. Literally metres to Bolton Park and Box Hill City Oval, you're also near Springfield Park, Kerrimuir Village shops, Blackburn Square shops, Laburnum Primary School, buses, and Laburnum Station. You're also a short drive to Westfield Doncaster and the Eastern Freeway.
