This exquisite family entertainer sits amid a natural bush setting that belies its fabulous central Diamond Creek location. Without a doubt you will love the sophisticated interior styling, the sparkling in-ground swimming pool and the dreamy poolside entertaining zone, but the convenience of a short level walk into town makes this property absolutely swoon-worthy! The warm welcome begins with pretty landscaped gardens and a wraparound veranda that leads inside to the beautiful single level interior showcasing high ceilings, Spotted Gum floors and ornate plasterwork. An elegant lounge warmed by gas log fire complements the spacious meals/family zone and high-end kitchen complete with soft-close cabinetry, waterfall stone and stunning Belling cooker. The luxe main bedroom enjoys walk-in robe and sleek ensuite, while 3 additional bedrooms, family bathroom, dream laundry, oversized double garage, ducted heating and evaporative cooling complete the picture. Savour outdoor living thanks to the entertainer's courtyard with wood-fired pizza oven, plus solar heated IG pool and separate games room that could easily flip into a home office or guest accommodation. Moments from the train, supermarkets, cafes, sporting facilities and schools, this is the home that has it all!
