This older style ranch home has 3 bedrooms and 2 bathrooms and full wrap around deck with the best views Yea has to offer. All bedrooms have robes with a walk-in robe to the master. Light filled functional hostess kitchen with all electric appliances and extra-large space for the fridge. The lounge and dining areas have split system heating and cooling. Bring your best mower because outside there is a very large, grassed area for play. Please note the tenancy DOES NOT include the shed at the rear of the property.
