Situated in one of Bomaderry's most desirable locations, this exceptionally spacious family home boasts a stunning view of Cambewarra Mountain. It caters to the needs of large families or those looking to downsize. With two distinct living areas separated by a central kitchen, parents and children can enjoy their own private spaces. The array of features offered by this property is extensive:

- Elegant formal living and dining area
- 4-bedroom, 2-bathroom + study
- Expansive casual living space with a sunlit bay window
- Master bedroom complete with an ensuite bathroom and walk-in robe
- North-facing kitchen equipped with a dishwasher and electric appliances
- Air-conditioning and gas points for year-round comfort
- Expansive covered outdoor entertaining area with ample seating space
- Solar power system and insulation for energy efficiency
- Low maintenance 746sqm block

25 Freesia Crescent has been meticulously maintained and is presented to market in impeccable condition. This home is available for viewing by open for inspection times each Saturday or by appointment mid-week, and is eagerly awaiting its new owner.
