THE BRIEF: A Truly Special Opportunity on 1,605m²

ITS ADDRESSED

Every now and then in real estate, we stumble upon something truly special. Set on an enormous 1,605m² block, this stunning period home has been cherished by the same owner for the past 67 years and is now time for a new custodian to take over and enjoy all that this gorgeous property has to offer.

Occupying a commanding position, the residence is set high to take in the most breathtaking, uninterrupted views over the rolling South Gippsland hills. A full-length, north-facing verandah at the front is an ideal spot to enjoy your morning coffee while the birds chirp in the expansive, manicured gardens below.

The traditional floorplan offers a cozy lounge at the front and three generous bedrooms off the central hallway, flowing to the open plan kitchen and dining area at the rear. The family bathroom is neat and functional with a separate toilet, plus there is plenty of storage throughout.

Vehicle access is via Weisser Lane at the rear to a double garage with concrete floor, power and extra secure parking to the side. The manicured lawns and gardens are truly a labour of love and a reflection of the overall love and care this property has received over the years.

The potential here is endless.... stunning original timber floorboards lay beneath the carpet just waiting to be polished and the timeless façade is striking and captures the attention of all that pass by. All just a short walk to Korumburra's main street with cafes, restaurants and specialty shops to explore and enjoy. Whether you're looking for a weekend escape or a potential future development opportunity, this is one not to be missed.
