\$259,000

A wonderful opportunity to build your dream home in Castlemaine's newest, most exciting community. This is a well situated, 793sqm (approx.) allotment that will be completely serviced including NBN. Located just 6 minutes drive from the centre of Castlemaine and all the amenities and services it has to offer; but also far enough out to avoid most of the hustle and bustle of town, this is a fabulous block ready to be built on.
