## Just Listed

Welcome to 25 Kufstein Road, Coomera - an exquisite two-level haven seamlessly marrying contemporary design with functionality. This impeccable 4-bedroom, 3-bathroom residence showcases a thoughtfully spacious layout, catering to families in pursuit of both comfort and elegance. Revel in the convenience of family living, courtesy of two strategically positioned bedrooms on the ground level. This distinctive and considerate design introduces an additional layer of versatility, ideal for accommodating guests, cherished family members, or creating dedicated home offices. Moreover, indulge in the added luxury of expanded living space on the upper level—an idyllic setting for family gatherings, cinematic nights, or a serene retreat. The master bedroom boasts a generously sized walk-in dressing room illuminated by cascading natural light, creating an inviting sanctuary. Additionally, two bedrooms on the upper level each feature their own private bathrooms, ensuring personalized comfort. Situated on a tranquil street, this residence offers an exceptionally convenient locale, providing seamless access to Westfield Shopping Centre, major highways, reputable schools, picturesque parks, and more. Embrace a lifestyle where sophistication meets practicality in the heart of Coomera.
