Appointed to the highest standard of Bayside quality and design, this three bedroom plus home-office, 2.5 bathroom home hits the benchmark with an airy formal space, an expansive casual zone... and spectacular inside-outside living with a prestige kitchen (with Bosch dishwasher) plus an al fresco kitchen (with Beefeater BBQ and drinks fridge) beside a sparkling glass-fenced dual-heated pool. Impressively accommodating with a vaulted-ceilinged balconied master-suite, fan-cooled bedrooms and a dual-workstation home-office, this exceptional home features a designer-style fully-tiled bathroom and ensuite, and beautifully-fitted robes - dual for the master. Luxe and lovely with wideboard floors, stone benchtops and e-screen and block-out blinds, this outstanding home offers every conceivable appointment. There's a high-tech Cbus system for home-automation, reverse-cycle climate control for virtually every room, video-intercom and alarm for security, and ducted vacuum for easy living. Even the car accommodation goes above and beyond with a generous double auto-garage plus parking on an exposed aggregate driveway in lushly landscaped and lit lawn-free gardens. A minute to Hampton St's beachside latte strip, a cycle to Haileybury and St Leonard's Colleges and a walk to local shopping, station and bus-routes, this is poolside living with all the Bayside lifestyle extras!
