A spacious family lifestyle comes with this cleverly updated freestanding residence that enjoys an elevated aspect with leafy views to the city. Its interior layout has been smartly renovated and extended to offer a light-filled two-level design and provide a low-maintenance living space where size, privacy and convenience all come together in perfect harmony. The home is positioned on an extra-large dual access block in a fantastic location offering excellent walk to-everywhere convenience, with Norton Street's dining scene and all lifestyle amenities within close range. A well-planned two-storey layout providing great light and airflow. Optimal dual street access with double parking on Coleridge Street. Skylit open living and dining space that flows easily to the outside. Entertainment deck that overlooks a leafy grassed garden. An upper-level master retreat with a large walk-in robe and ensuite. Upstairs balcony capturing elevated tree-filled views over the area. Five good-sized bedrooms plus access to a large attic storeroom. City views from the top floor, directly looking towards the Harbour Bridge. High-end contemporary kitchen equipped with gas and dishwasher. Walking distance to local parks, bus transport and popular schools. Entry Via Coleridge Street or Mackenzie Street for Open Homes
