"deja View" is a quality built double brick home positioned to take advantage of the views over Wilsons Prom and the Corner Inlet. Positioned on approx. 1.3 acres and surrounded by landscaped gardens with various patios and places to sit and enjoy the property. A designer home which was built in the 1990's by a reputable local builder. Entering the driveway you get a sense of the grandeur of the home and greeting you is a large brick paved undercover entryway. Opening the front door your eyes are drawn towards the views, through the formal sunken lounge, complete with solid wood heater in the fire place and a split system for all year round comfort. Entering the main kitchen dining area, smart use of cathedral ceilings with ample windows provides a real sense of space and plenty of natural light into the area. The kitchen is a true family sized kitchen with large bench space, storage and has a gas cook top, electric oven and kitchen sink overlooking the views. A large benchtop provides additional space to sit. The dining area opens to a rear patio. A 2nd lounge is located off the dining area with multiple floor to ceiling windows allowing natural light to floor in and again taking advantage of the views. The master is large in size, with its own private patio, and a newly renovated en-suite with vanity, separate toilet and a large walk in shower with glass walls overlooking the enclosed atrium, providing a feeling of being outside yet completely private. Two additional bedrooms with BIR's, carpet and large windows. A central bathroom with full sized bathtub, shower and vanity. A large internal laundry with benchtop and cupboards and direct access to outside. The extra large 3rd lounge / entertainment area is ideal for a large family or those who like to entertain. Remote double garage with extra length for workshop space or to store the toys and tools. A large shed towards the rear of the property for the mower and garden tools. All of this is located on 1.3 acres only a short drive to town and with rail trail access close by. Extremely rare opportunity so close to town. Inspections strictly by appointment.
