Perfectly presented, this fabulous family home offers multiple living zones, a functional floor plan and is super low maintenance! This home comprises of 4 great sized bedrooms including grand master with walk in robe and full en-suite, open plan kitchen, ample cupboard space and stainless steel appliances adjoining the meals and huge family room. There is also a separate formal lounge, gas ducted heating & cooling throughout. Outside there is an undercover entertaining area, 2 separate driveways both with double lock up garages and rear access for boats, trailers or a caravan, an additional garden shed and a completely private and secure rear yard. Also features solar panels on the roof.
