Beautifully positioned opposite the Stratford Recreation Reserve and within walking distance to schools, shops and parks is this recently renovated 3 bedroom home with carport and relaxing outdoor living area. The home itself has been totally transformed in the previous 12 months with brand new kitchen, carpet, vinyl flooring, polished timber floorboards, blinds, downlights and internal paint. Comprising 3 generous sized robed bedrooms, new kitchen/meals area, central family bathroom and a large lounge room with reverse cycle split system air conditioner. Externally the property has been well maintained with a neat and tidy private yard, north facing outdoor living area, single carport under roof, solar panels, near new hot water service, security flood lights and 3 convenient garden/storage sheds. It's a fantastic location and this home could be ideal for the first home buyer, working couple, retiree and/or investor. It has been fully re-stored and is ready to go!
