Conveniently located close to schools, the CBD and shopping hubs of Warrnambool, sporting grounds, and both of Warrnambool's Hospitals, this property is well suited to a vast range of home buyers. Featuring three bedrooms, the master bedroom has a walk-in robe, while the other two bedrooms have built-in robes, providing ample storage space for clothing and personal belongings. A central family bathroom has a shower and separate bath and serves as a semi en suite to the master bedroom. A separate toilet is a practical feature for larger households. All of the living space resides on the north side of the property, capturing the winter sunshine. An open-plan kitchen, dining, and living space creates a sense of spaciousness and is interconnected with a raised outdoor decked area that is entwined with an old grapevine. The home has under-house storage, a large single garage with a walk-in storage room, central heating, and a split system for heating and cooling at a flick of a switch. This is a solid brick and tile home; apart from a little paint, the home is perfect for a family or an investor. Call Homeseeka to arrange your own private inspection.
