Steeped in old world charm and terrifically located just moments from High Street's Thornbury Village, this classic brick three-bedroom home celebrates immense lifestyle appeal with an enviable location to match. Retaining all the elegance of the era, a distinctively unique façade (commonly known as the "gingerbread house") and soaring ornate ceilings combine with exposed timber beams to create space and warmth, introducing three spacious bedrooms and a formal lounge room. An immaculate timber kitchen adjoins the light-filled dining/family room and a spacious rear bathroom with separate bath plus full-sized laundry complete the package. Outside, discover a brick paved entertaining area and deep rear garden with storage shed and secure garage via rear ROW. With complete access surrounding the perimeter of the property, take advantage of the incredible scope for renovation or restoration (STCA) to unlock the ultimate family home potential, or move in and enjoy immediately while bringing your plans to life. Superbly positioned merely footsteps to vibrant High Street's cafes, trams, and boutique shops, plus Thornbury Station, parks and popular local schools and kindergartens all just moments away. A truly unique and enticing opportunity to take modern inner-northern living to the next level in an unbeatable, community minded location. There's plenty to love!
