\$110,000

Great Highway frontage located between Griffith and West Wyalong, this property offers the perfect location for a home-based business. The home consists of a large living room with a cozy fireplace and high ceilings adjoining a fairly new kitchen/dining room there are 3 large bedrooms and sleep out and a bathroom (that needs a little love). The shady back yard is fully fenced and there are 2 good sized sheds, outdoor pergola area and an outdoor living area. Attached to the front of the home there is a retail area approximately 6m x 5m with an adjoining office space and foyer, this section could also be used as additional living area for the home if commercial space is not required. This property has a lot to offer for a ridiculously low price tag and is one that warrants consideration.
