A picturesque exterior belies the crisp ultra-modern design of this impeccable residence designed by award winning architect, Alexander and Co. It flaunts flawless in/out connectivity, hand-picked materials and a prestigious position on one of Queen's Park's finest streets. Showcasing an expert use of steel, natural hues and textures, the oasis has been meticulously redesigned to retain the charm of the 1900s while boasting cutting-edge craftsmanship and the location is unbeatable - it's just a stroll from Bondi Junction with easy access into the CBD. Soaring 3m ceilings, oak parquet floors, skylights Ultra-wide living/dining zone enjoying gas fireplace Leafy secluded alfresco deck featuring a gas BBQ Traditional style wood fired parilla, outdoor shower Smeg gas kitchen has Carrara marble benchtops Plush bedrooms with built-ins, huge ensuite master Designer bathrooms, main has Japanese style bath Impressive storage, ducted a/c, soft-touch buttons Rear lane access and potential for car space (STCA) Minutes to Sydney's best beaches and elite schools
