Located in central South-Shepparton close to bushwalking tracks and Riverside Plaza this immaculate Townhouse is sure to impress. A quality-built home, it has three generous sized bedrooms all with built-in robes, with the master bedroom incorporating a generous ensuite with toilet. The spacious main bathroom has a large walk-in shower and bathtub. There is a separate toilet, good size laundry and single lock-up garage with access to the rear of the property. The kitchen is lovely, fitted out with stainless steel appliances, plenty of cupboard space and a free-standing island bench. The kitchen/living area is generously proportioned and offers a second entertaining spot with undercover alfresco area through a glass sliding door. Featuring modern plantation shutters and holland blinds throughout, the home also offers refrigerated cooling and ducted heating for year-round comfort. With clever design and tasteful colour palette this beauty really warrants your inspection today.
