The sea never seems to lose its special touch. The soft sand and rolling waves instantly make us forget about all of our worries and instead focus on the amazing view in front of us. Such is the life awaiting you at 25 Sea Eagle Road. Seaside living calls for wavy hair, tan lines, and the eternal scent of salt and sunscreen. With longer days full of sun and countless books to read, it's no surprise, by the beach, every season is the favourite time of the year and what better place to enjoy it. Nestled in what is undoubtedly one of the best spots in Primrose Sands sits this beautiful 3bed home. This property will certainly be the jewel in the crown and will have you spending countless hours entertaining across the summer months. Inside the property you have an updated kitchen, spacious lounge that opens up onto a deck to capture the amazing views, renovated modern bathroom and 3 generous sized bedrooms, two of which contain built in robes. Under the house you have a mass amount of storage and rear yard big enough for the children to play. So whether you're planning on spending the entire summer by the ocean, or you'll be gathering around a blazing fire pot with close friends, if you've been eyeing the pool, you might just be inspired to ditch your giant float and choose to pick seashells at the beach instead.
