Recently renovated, this well-positioned and elevated property provides an ideal family home, making the most of the east-facing water views and ample sunshine. The home seamlessly blends modern comfort with classic charm, featuring raked ceilings in the open plan living-kitchen-dining room. From here, a high-ceiling hallway leads you to the three bedrooms and of course, the contemporary bathroom with floor-to-ceiling tiling, a walk-in shower, and a deep bathtub. Set on a spacious allotment, the home offers a large and secure backyard for outdoor activities, made complete with a separate studio for creative pursuits, a large garden shed and a spacious sub-floor for extra storage/workshop space. Plus, there's enough access along the side of the home for cars, boats and other vehicles to access the rear yard. The rear deck is accessible from the renovated laundry, offering easy ramp access to the backyard.

- Renovated family home with high ceilings
- Secure yard with a studio, shed, deck + more
- Positioned to capture the water views + sunshine
- 7 mins to Sorell, 9 to the airport + just 22 to Hobart
- A large subfloor space, concrete drive + various fruit trees
