Enjoy the sense of tranquillity and escape from this coastal haven embraced by an Indigenous garden. Privately set behind towering banksia and mature tea-trees, moments from Tyrone foreshore, this single level, brick home delivers an ambience of quiet with living convenience. Finished in neutral tones and flanked by broad timber decks, the inviting property complements its natural surroundings. The desirable interior layout comprises an open plan contemporary kitchen and living area at the centre with three bedrooms (one with French doors to the rear terrace), chic bathroom and European laundry branching out from this hub. Laden with style and comfort, the quality fixtures and fittings include brushed brass tapware, stone benchtops, split system air-conditioning and warm floorboards. Outdoors, thoughtful landscaping, sprawling verdant lawn and multiple alfresco areas add to the peaceful aesthetic of this special retreat.
