With spectacular views along the coast to Low Head around 70 km away, you'll never tire of having something to look out at. Another bonus is the land size, 2193m², or, just over half an acre. And it's in three titles. But take note, the house needs a LOT of RENOVATING! The home features: - Two living rooms, one that opens out to the deck, a great place to sit back and take in the views. Four bedrooms, two up and two down. Larger separate laundry. Two bathrooms, one up and one down. Three toilets. The home has a lot of its original features including hardwood timber dados, ceiling roses and fireplaces with mantle pieces. All this is just a short walk to the Burnie CBD.
