One of the city's landmark residential buildings overlooking Hyde Park, The Connaught combines quality design with exceptional facilities to create a world-class city residence reminiscent of the prestige buildings on New York's Upper East Side. Holding a coveted position high on level 25 and the first time offered to the market, this north-facing apartment overdelivers in terms of space, light and comfort with 180-degree views that sweep over Australia's most historic park out to the harbour and North Head. Full of light and wrapped in a sequence of wide balconies, the house-sized apartment offers an impressive 211sqm approx of living space with level lift access to parking for four cars, an absolute rarity in the heart of the city, as well as access to a rooftop pool, gym and sauna. Built to discerning standards by Civic and Civic, builders of the Sydney Opera House, The Connaught offers the ultimate in city living in Sydney's hub of culture, commerce and entertainment. Just up from Museum Station, this prestige residence offers an incredible sense of privacy and security with world-class dining and entertainment footsteps from the door and an easy walk across the park to the QVB, Martin Place and King Street Wharf.
