Perched proudly on an impressive and quiet 1011m<sup>2</sup> parcel, this picturesque, renovated, single-story family home is perfect for the family. On arrival, you will appreciate the walk down the driveway and notice just how tucked away this home is from the main road, the colorbond fence and trees provide a fantastic sound barrier and once inside you will love the quiet this home offers. Parking will also come easy as you can drive all the way to the rear of the property and turn your car around with ease. In fact upon our open home, you are welcome to park on the block or on the street. Plenty of room for a caravan, trailers, and so much more. There is also a garage with a covered patio. Plenty of outdoor living with a very spacious covered patio that wraps nearly the full length of the home. On entry you will feel instantly at home, this property opens into a free-flowing design that embraces the peaceful green outlook with many eye-catching elements. Air conditioning to be installed prior to move in. Freshened throughout including all new flooring and lighting to name a few. The kitchen is complete with ample storage and adjoins a great-sized dining area. Three fantastic sized bedrooms with built-ins and air conditioners to two of the three rooms. The enormous lounge room and second lounge make this home a must to view. This gorgeous home benefits from being just minutes from the centre of Redbank Plaza, Redbank plains Town square, Springfield Orion Shopping Centre just a little bit further (about 10 minutes away by car). Public transport, parks and schooling options both primary and secondary, are all close by with the continued upgrade to Redbank Plains Road will soon provide better convenient access to all these locations and services. Ease of access to both Ipswich and Brisbane CBDs. We look forward to seeing you at our next open home.
