A rare opportunity exists to purchase 18.53 hectares (45.7 acres) of land previously planted to citrus and boasting approximately 220m of beautiful Darling River frontage, under the influence of the Murray weir pool. This would be the ideal location to build your dream home, replant or just use it as holiday getaway for fishing, boating or camping. Also included is a three bay colorbond shed and a transportable hut. Properties like this are becoming harder to find and are certainly increasing in price.
