Possessing all the qualities desired in a private bushland acreage, 2533 Blacksmith Shop Road is an elevated 370 acre(approx.) parcel comprising high ridges and winding gullies. The parcel's elevated position amongst the Boyd River Valley mountain range ensures vistas from the natural dwelling sites on the property are nothing short of breathtaking. If seclusion, privacy and natural beauty are desired, one could want for little else in this native bushland paradise.* 370 Acres(approx.)* 76km west of Grafton, 97km east of Glen Innes* Vegetation is mix of native hardwood timber varieties and damper rain forest areas* Portions of the property have recently been logged, leaving behind cleared potential house sites and tracks throughout the property.* Address is driving distance to number of camping hot spots and conservation areas along the Boyd River* Meets minimum lot size for dwelling entitlement
