Nest Or Invest Green Title Home Built by Amano Homes in 2012, this property will suit both Investors or families who are looking for that location with amenities nearby. If you are a FIFO, you can get to the airport in under 15 minutes and if you work in the CBD, it is only 10 km (approximate) away. With Future Morley Station within walking distance, commuting will be a walk in the park. With a playground and park right across the street, you will struggle to keep kids indoors. Anzac Terrace Primary school is a short walk, making this suitable for families with small children. Charlies Fresh Food Market is only 1km away and with a couple of Gyms nearby you can continue with your New Year Resolutions. Double Door Entry with Open plan kitchen, dining & living area is inviting with high ceilings to the living areas and feature dropped ceiling for the Kitchen with ample cupboards. Beyond the kitchen you would find the Powder Room which is useful when you have guests or a large family. Master Bedroom is spacious with an ensuite and Walk in Robe. The second & Third bedrooms are good sized with built in robes. The fourth room can be used as a bedroom or an office. Solar Power System with a German Sunny Boy Inverter can keep you comfortable during hot summer days by using the Ducted Evaporative system available without the worry of excessive power bills. 900mm Blanco Cooktop & Oven with Canopy Rangehood. Provision for a Dishwasher is available.
