AUCTION UNLESS SOLD PRIOR

This amazing family home here in the heart of South Windsor has to be seen to be believed. Located across the road from Bede Polding college on a 556 square meter block of land sits this 3 bedroom two story gem. There are two large living areas upstairs as well as a huge tiled downstairs living area perfect for entertaining or could easily be converted to a teenagers retreat. The bedrooms are large with a huge master retreat including a walk in robe and ensuite. Outside you have large, paved areas with landscaped hedges and a huge drive through carport that doubles as an impressive outdoor entertaining area. Don't forget you also have the double lock up garage downstairs which has internal access so you could easily accommodate 4 cars or two cars AND a boat or caravan. This location has plenty of benefits being across the road from Bede Polding college and a short stroll to Caroline Chisolm Primary School, The Windsor Leagues club and the Bligh Park Shops but more importantly is only 11 mins to Marsden park and the M2 M7. So if you are looking for a well built family home in a great location. Then do yourself a favour and meet Adam and Michael at this weekends Open Home.
