This two bedroom apartment consists of the entire top floor of the well-known 'The Crown Inn'. Located on the cusp of Brighton, you will find all amenities at just a short commute, with a bistro downstairs on site. The apartment has private access with parking at the rear of the building (so you do not cross over with the main entrance). Upstairs you will find generous sized living spaces including kitchen/dining, lounge and sitting area with a heat pump in the lounge. The two bedrooms are both generous in size, both easily fitting a king size bed. If you are looking for a low maintenance lifestyle and are not a green thumb, this is the place for you. Please note, power and water are included in the rental. Pets are not permitted.
