Nestled within a lush 12-acre expanse of natural bushland, this two-storey family oasis offers an unparalleled blend of space, serenity, and comfort. The heart of this residence is its four generously sized bedrooms, each crafted to become a tranquil retreat for every member of the family. With two well-appointed bathrooms complementing the living spaces, convenience and luxury blend seamlessly throughout this home. Central to its appeal is the open plan living area, designed to foster a warm and inviting atmosphere. Further extending the living space, two large decks offer a perfect setting for outdoor entertainment or a peaceful morning coffee. The property also offers a beautiful winter creek that meanders through the property. Practicality is woven into the very fabric of this home, with an expansive under-house workshop providing an ideal haven for projects and hobbies. The inclusion of a chicken coop adds a touch of rustic charm. With ample parking space to accommodate both family and visitors, this property ensures that the practicalities of rural living are met with ease. This home is not just a dwelling but a sanctuary, offering a unique blend of seclusion, space, and natural beauty.
