RLA 172 571A much-loved family home in convenient location is now available. Two large bedrooms both have ceiling fans, and the master has a roller shutter, perfect for shift workers. The large lounge room has a feature fireplace mantle, roller shutter and large sliding doors lending you into the spacious kitchen and dining area. Kitchen is equipped with split system A/C, tiled floor and direct access to the front driveway. Bathroom is neatly tiled with a separate bath and shower, and passage has a huge amount of storage cupboards. Externally there are low maintenance yards and two single garages, 1 being a solid garage with roller door and the second one being located out the back with direct access from Watson Street, perfect for the tradesperson or potential development STCC.
