Tucked away in a quiet corner of Castlemaine, this property offers a rural feel with the convenience of town living. This unique home on a large corner allotment is a short stroll to the train station, schools and Castlemaine central. It features 3 generous sized bedrooms, central bathroom and expansive North facing light filled, open plan living. The kitchen living area opens out onto a large deck, with elevated views to Mt Franklin. The home is serviced by solar panels, split system heating and cooling. The garden features established trees and trellised ornamental grape vines providing leafy seasonal shade, raised garden beds and water tanks.
