A true masterpiece of coastal luxury, this home stands out with its pristine white façade and meticulously landscaped grounds. It sets a new standard of sophistication and captures the essence of waterside living. As you step inside, you are greeted by an inviting entry level that seamlessly marries the purity of crisp white interiors with a strategically designed arrangement of floor-to-ceiling glass doors. For those who love to entertain, an expansive balcony extends from the open-plan kitchen and living area, creating the perfect space to host gatherings or simply savor your morning coffee while taking in the coastal breeze. The main bedroom is a spacious and elegant retreat of its own, complete with a generously sized wardrobe and a coastal-inspired ensuite, where you can indulge in panoramic water views from the comfort of your very own bed. A further three bedrooms of accommodation offer more than enough room for you and your guests to stay comfortably, so you can kick back and relax away from the fuss.
