If you are looking for a comfortable lifestyle home in a popular over 55s village in an affordable price range then here it is. Even as you get to the front door the first thing you will notice is the wide north facing roofed verandah, the perfect place to enjoy the cooling breezes. The living room is open plan and has a split system air conditioner. The kitchen is generously sized and has been remodelled at some stage. The bathroom has also been remodelled as is the separate loo. There's a single lockup carport and a small fenced yard. The village is pet friendly subject to approval. Situated a stones throw from the parks facilities which includes a new pool and a clubhouse.
