26 -26A Goodwill Street is a home with great potential in a blue chip location. Situated in a quiet street close to the tennis courts and golf course, the property is situated on a double block, totaling 2586sqm which gives you the opportunity to either split the blocks up or enjoy a large backyard with potential for further development. There is rear lane entry providing ideal access to sheds or carports at the back of the property. The home offers four bedrooms, providing versatility for families, guests, or the option to create a home office or hobby space. Two bathrooms, tastefully renovated, ensure convenience and style. The rest of the house has undergone partial renovations with scope for much more. Please do not hesitate and book your inspection today!
