4046m2 Medium Density Development Opportunity, with current DA (DA2020-171) approval in place for units/duplexes. All relevant paperwork is already in place. Development plans available on request. The time could not be better for an astute entrepreneur to invest in this well thought out residential construction. All the hard work has been done. This property is extremely well priced for one acre of land so close to the Mackay CBD and would suite a large family or small business operating from home. There are 2 x lots in total at 2023m2 each. The owner is currently receiving \$350 per week for the house on No.28. and there is an Aldi being built down the road. Please contact Ron Palmer for further information on this prime location.
