Epitomizing modern sophistication with sleekly designed spaces and a low-maintenance lifestyle design, this spectacular townhouse is perfect for executives, investors or busy families with a desire for an easy life. Peacefully placed well back from the street, the home's layout allows for a fluid interaction of space with the living, dining and kitchen boasting an open plan design that showcases stone benches, Miele appliances (gas stove, oven and dishwasher) plus a concealed fridge space. From here you can wander out onto the decked balcony, while the master bedroom accompanies this level and includes mirrored built-in-robos plus an ensuite featuring floor-to-ceiling tiles, stone topped vanity and a rainfall effect shower. Downstairs, you'll find two extra bedrooms, each with built-in-robos and serviced by a family bathroom with toilet, with one of the bedrooms opening onto a deck and courtyard. Further enhanced by a Euro laundry, split system heating/air conditioning, high ceilings, water tank, garden shed plus a single garage with internal access and driveway parking space.
