This solid three bedroom home in Watson would be ideal as your entry into the inner north. Set on a large block, with a huge backyard, this lovely little home is in mostly original but very good condition. Whilst the home is very nice, the standout features are out back: A covered outdoor area, large single garage, an expansive lawn with trees that would be great for pets and kids. Empty, full of potential and ready for a new owner to make this home their own. Fully secure and private, and over 900m<sup>2</sup>, this is a parcel of land that is an investment for the future. Features: • Three bedrooms • Ducted gas heating • Updated kitchen & bathroom • Covered rear outdoor area • R/C Air & fans • Large single garage • Close to light rail
