Suited to a new home buyer, this gorgeous family home is spacious, well designed and built with quality in mind. Entering the home you will instantly get the feeling that space has been well considered in the design process, with the wide hallway welcoming you in. Conveniently located at the front of the home is the large master suite, offering a King-sized bedroom, walk through robe and a contemporary ensuite. Bedrooms two and three are situated further towards the rear of the home and the family bathroom is centrally located. The family bathroom is well appointed with a large walk-in shower, vanity and freestanding soaking tub, whilst the separate toilet is conveniently located nearby. The star of the show is certainly the bright open plan living area at the rear of the home. With large windows and an extra wide 3 panel glass door the outside is invited in, creating a lovely relaxing atmosphere in the space. This area encompasses the spacious dining room, lounge room and the stunning kitchen. The reverse cycle heat-pump is located here and keeps the whole home the perfect temperature all year round. The kitchen itself is magnificent, from the walk-in pantry, granite benchtops and quality appliances to the amount of storage space on offer, it's sure to impress the chef in the family. Through the large glass sliding doors is the undercover alfresco area, allowing the open plan living area to be extended and making the space ideal for Summer BBQ's and family get togethers. The large, flat backyard is ideal for kids and pets to play safely and with backyard access for vehicles there is plenty of space and potential for a shed to be built (STCA) in the future. With only a flat walk into the Latrobe town centre you will enjoy easy access to nearby schools, shops, supermarkets, cafe's and more. Latrobe is ever growing in popularity and is a fantastic place to call home.
