This spacious, light filled Californian weatherboard, set right in the heart of cosmopolitan Kyneton, is perfectly positioned between the schools & main street shopping precinct, and only a short stroll to historic Piper Street's renown restaurants & cafes. Boasting an array of original features, including classic double door entrance with wide hallway, ornate "Art Deco" ceilings & patterned glass doors, you will also be impressed with the timber dado lining, polished hardwood floors and abundance of natural light throughout. The home also boasts 3 bedrooms and generous living spaces, centred around a well-equipped kitchen with butler's pantry/laundry, that opens out to a covered rear deck overlooking the large private backyard with lawn, vegie boxes & single lock-up garage. A superb opportunity for those looking for the perfect central location, walking distance to everything that Kyneton has to offer, ready to move in and enjoy or take to the next level.
