PROPERTY: This stunning Hamptons Inspired home infuses the elegance of a one off build with the opulence of homes usually far above this price range. From its grand facade that melds the emerging hedging with American mailbox, double gables and feature pillars, offset by a feature pink door with contrasting black knocker. Step inside and be in awe at the statement hallway that uses a picture rail and rich royal navy paintwork before splitting off to the main living areas or front master suite. This tranquil space melds the softness of sheer curtains and casement windows with an grand ensuite with feature shower recess shelf and wardrobe. As you stroll down the hall – a fully optioned home cinema room raises the bar with a projector and dark painted room with matching drapes- ideal for those family movie nights with a box of hot popcorn. Step out into the main living zone and you will literally stop in your tracks at the bespoke kitchen that is the heart of the home. Here, Oak style cabinetry combine with 40mm stone benchtops and a trio of on trend pendants. A plumbed fridge space and 900mm commercial oven allow the inner Master Chef to come out with the best in Winter dinners before you make your way to the adjoining dining room. Or relax with the kids and watch TV in the lounge room that also is softened by sheers that also spill out to the alfresco area. And with four bedrooms or a built in home office you will be totally spoilt in this opulent residence.

LOCATION: Burpengary, is best described as leafy, modern emerging city that affords the latest in family facilities. Whilst it is a residential suburb, it has large, grassed areas, parks and walking tracks with easy access to the highway for commuting to the CBD or Sunshine Coast. Within the City of Moreton Bay, the area offers a selection of great schools, a mix of retail shopping and housing options and with its close proximity to public transport and great value is highly sought for both investors and families. The property also offers: 4 bedrooms Cinema room High end kitchen with 40mm stone benchtops 900mm commercial oven and trio of pendant lights Plumbed fridge space and hidden breakfast bar cupboard Lounge Dining Master suite with WIR, sheers and opulent ensuite Shower recess Feature hallway with picture rail Alfresco Separate laundry (not mini garage laundry) Kids bathroom with recess shower niche and bath, stone bench Amazing feature entry door statement American Hamptons letterbox Air conditioning
